MEDIA RELEASE

Knox County Sheriff's Office

Date: December 2, 2025

Subject: Snow Emergency Response – December 2, 1:00 AM to 9:00 AM

Between the hours of **1:00 AM and 9:00 AM**, Knox County experienced severe winter weather roadway conditions that escalated snow emergency levels from **Level 1 to Level 3**. During this time, **KCSO deputies** worked tirelessly to ensure public safety while navigating extremely hazardous roadways.

Deputies responded to a significant number of incidents, including:

- **21 non-injury crashes**
- **6 injury-related crashes**

Road conditions were treacherous, and travel was strongly discouraged during the Level 3 Snow Emergency period. We urge all residents to continue exercising caution and avoid unnecessary travel during winter weather events.

The Knox County Sheriff's Office thanks the community for their cooperation and reminds everyone to monitor official alerts for updates on road conditions and emergency levels.

Stay safe. Stay informed.
